Scholarships

Thanks for a Great
Year!

From golfing to raise crucial dollars needed to promote our mission; honoring those who have helped us achieve it, to awarding scholarships to the future of medicine, the Joseph E. Enright Foundation is grateful to all of you who have helped us this year.

Dear William,

From golf raising money for our mission to thanking individuals for their long-time support, this issue is a celebration of just a few of the highlights of our efforts late this summer and early fall. We're looking to expand our mission's scope even further in 2012! Go to www.iosephenrightfoundation.org to learn more.

to raise sun safety awareness at this year's Enright Golf Invitational at Hamilton Farm Golf Club. The event was underwritten by Summit Medical Group and attracted golfers from all over the Northeast. Major sponsors including Double Eagle Sponsor, Magnacare and Eagle Sponsor Vericon Construction helped take the event to an entirely new level of excellence.

Celebrity golfers including heavyweight boxer Gerry Cooney, NY Yankee catcher Rick Cerone, NJ Devils Ken Daneyko and NY Giant Bart Oakes were added to selected foursomes for even more fun.

Located in Gladstone, NJ, Hamilton Farm Golf Club is one America's premier golf courses. Celebrity members include Matt Lauer and Michael Jordan. Over the years, Phil Mickelson has run his charity golf event there. Winding through magnificent stands of hardwood forest and opening up to highlands with vistas that seem to stretch all the way to the Hudson River, Hamilton Farm offers a golfing experience of the highest caliber.

"All of the money from the event will fund programs across New Jersey helping children and adults learn the importance of sun safety and help prevent skin cancer," said Executive Director William "Chip" Madsen. "It's terrible that each year there are more new cases of skin cancer than the combined incidence of cancers of the breast, prostate, lung and colon and we are dedicated to ending that run. This event will go a long way to helping us end skin cancer in New Jersey."

And the Enright "Kingfisher Award" Goes to...

L-R: Enright Board President Rich Nelson, MD presents the Kingfisher Award to Thomas Frangione

Thomas Frangione, Chief Financial Officer at Sovereign Medical Group and formerly Controller/Director of Accounting & Finance at Summit Medical Group single-handedly brought more sponsors and financial support to the Enright Foundation

than anyone else. "Thanks to Tom, our golf Invitational grew from a simple get-together to a world class event," says Foundation Vice President James McDaid. Foundation President Richard Nelson added, "Tom is not capable of a second rate performance and is one of the most trustworthy professionals that I have ever known."

The Kingfisher Award is the Enright Foundation's highest honor and was named after Joe Enright's favorite bird. Dr. Enright was an avid birder and could identify most birds by their calls alone. Each year, the Kingfisher Award is presented to a person who exemplifies excellence, integrity and works to achieve the mission of the Enright Foundation.

Enright Sun Safety Banner Flying at the Shore

Millions See Enright Sun Safety Banner

At least four million beach goers from Seaside Heights to Sandy Hook saw our sun safety alert flying banner overhead during this past summer. Strangely, most people think that if they apply sunscreen once while at the beach they're done. That's absolutely untrue. Sunscreen needs to be reapplied every couple of hours and always when coming out of the water.

Scholarships

Khrystyna Chorniy

This past July another 10 scholarships were awarded to some of the brightest students in New Jersey as they prepare to enter the medical field. From Basking Ridge to Oceanport and from Trenton to Maplewood, these future nurses and medical doctors represent the future of medicine and we are proud to support them.

Khrystyna Chorniy of Maplewood is pursuing a degree in Nursing at Muhlenberg's Harold B. & Dorothy A. Snyder School of Nursing. A cancer survivor herself (Subcutaneous T-Cell Lymphoma) who has undergone both chemotherapy and a bone marrow transplant, she experienced first-hand the power of effective and empathetic nurses during what she calls her "grey days" of treatment.

Scholarships are awarded twice a year to applicants chosen by a committee comprised of members of the Board of Trustees as well as leaders in the community. The scholarships are awarded to the applicants who best demonstrate the sincerity, compassion and academic excellence necessary to become a truly effective healthcare professional. Applications and criteria may be found on our website.

WIN \$1,000!!! If you're a teen or know a teen who loves to make YouTube Videos, enter the [Enright Foundation's YouTube Contest](#). Three prizes will be awarded to the most creative video about your own experience with skin cancer or someone you know who had skin cancer. The deadline has been extended to the spring of 2012 so get started now and win the \$1,000 first Prize or the 2nd or 3rd prize of \$500 or \$250.

Sincerely,

William "Chip" Madsen, Executive Director
Joseph E. Enright Foundation
