This year's Joseph E. Enright Golf Invitational was the most successful event we've run so far. With strong board participation in attracting sponsors and golfers we were able to net over \$65,000! A record! This money will go a long way in furthering our mission to save lives and prevent melanoma cancer. for more golf pictures, [click here](#).

Kingfisher Award

L-R: Enright President Richard Nelson, M.D. presents Summit Medical Group's Chairman of the Board, Jeffrey Le Benger, M.D. with the Kingfisher Award

At our Golf Invitational's Awards Dinner, Dr. Jeffrey Le Benger was awarded the highest honor the Joseph E. Enright foundation can bestow, The Kingfisher Award. Our foundation's namesake, Joe Enright, was an avid birdwatcher, golfer and naturalist. That his favorite bird was the kingfisher was the inspiration behind the award. Over the years, Dr. LeBenger has been a consistent supporter and advocate for the Joseph E. Enright Foundation. Recently, thanks to Dr. LeBenger's voice, the Summit Medical Group provided a gift of \$20,000 in support of our mission. This gift will help us expand and enhance our mission throughout the state and we are deeply indebted to him and grateful.

Scholarship Recipient Alex Arnouk

Alex Arnouk is pursuing a medical degree from Jefferson College in Philadelphia

Alex Arnouk, son of Dr. Munzer and Ms. Nada Arnouk of Wayne, NJ will pursue a degree in Medicine at Jefferson Medical College in Philadelphia, PA. Mr. Arnouk developed an interest in medicine at a very young age while accompanying his father on his hospital rounds and despite his father's attempts to discourage him to enter the profession; he discovered a passion for medicine that knew no bounds. Scholarship Recipient Maureen Lynch

Maureen Lynch is working towards a nursing degree at Villanova's College of Nursing

Maureen Lynch, the daughter of Mike and Patty of Hillsborough, NJ will pursue a degree in Nursing at Villanova's College of Nursing in PA. Ms. Lynch has served as a team organizer for the Susan G. Koman "Race for the Cure", assisted with the Eucharistic Ministry at local nursing homes and is a nominee for the National youth Leadership conference. Ms. Lynch has been fascinated with anatomy and physiology since her Sophomore year at Hillsborough High School. She says that, "the most inviting aspect of a career in nursing is the tangible evidence one can recognize of the impact that I can have on the life of another person. Furthermore, nursing will sew my passion for physiology and my desire to improve the quality of life for others together seamlessly." For a list of recipients, please [click here](#).
