Bikers Raise \$27,000!

"Fun" "Festive" "Challenging" and Fabulous Event" were the words we heard from over 75 bikers at our 3rd Annual Bike Trek this year. Breakfast and lunch were outstanding! Many thanks to Rob Brenner, MD, TREK Corporate Chair and chief Medical Officer at Summit Medical Group for leading the way!

TREK Corporate Chair and SMG's Chief Medical Officer Dr. Rob Brenner leads the way with Dr. Michelle Bender.

We more than tripled the number of riders, corporate sponsors and money raised this year! Cool weather helped the riders along with a great breakfast before the ride, BBQ and massage therapy afterwards. This money will go a long way in furthering our mission to save lives and prevent melanoma cancer. For

*Teens (L-R) Allison Stone &
Josie Perrson from Summit*

We have always encouraged young people to get involved with our TREK and other programs. Summit High School student Allison Stone reached out to friends and family to not only sponsor her ride, but to come along as well.

New Website

This year we launched a brand new [website](#) with Twitter and Facebook links and encourage you to "Like" us and add us to your Twitter contacts.

Breaking news such as daily UV index updates, the new FDA standards for sunscreens, a memorial to Bob Marley who died of melanoma cancer are all there.

Scholarship Recipient Shelly DeLuca

*Shelly DeLuca is pursuing a degree at the
University Medicine and Dentistry of NJ*

Throughout her student life, **Shelly DeLuca** developed an interest in interest in medicine and related sciences. She also has a deep desire to help others as evidenced by her 16 years as a Girl Scout. "Most gratifying to me have been the hours working with children and patients recovering from surgery, especially to the medically underserved. I have come to realize that in addition to the necessary medical knowledge, empathetic qualities are both significant and desirable to both me and my future patients." Other scholarship recipients are listed [here](#).

SAVE THE DATE for next year's Enright Golf Invitational at the exclusive [Hamilton Farm Golf Club](#) in Gladstone, NJ. **-Monday, October 3, 2011!** This should be our biggest event *ever*. To get a venue like Hamilton Farm Golf Club for this event is due to Summit Medical Group's Simon Samaha, MD and we are deeply indebted to his efforts.

Sincerely,

William "Chip" Madsen, Executive Director
